

Dear Pure Energy Families,

Picture Days will be April 13th and 14th! I would like to introduce myself... I am Daniela Weaver, and I own a custom portrait studio, Daniela Weaver Photography, on Harvey Road. Be sure to have a look at our work at www.danielaweaver.com. We've been photographing dancers since 2018! **We will photograph Rec and Company individual portraits on the 13th, and Company groups on the 14th.** Rec groups will be photographed at Recital.

For Recreation and Company portraits, a sign-up schedule is available at: [https://www.signupgenius.com/go/5080845ABA928A0F49-48645778-picture#/
/](https://www.signupgenius.com/go/5080845ABA928A0F49-48645778-picture#/)

Please sign up for 1 time slot per each child and costume, as well as a time slot for a sibling or buddy photo! For example, 2 dancers with 1 costume each, and a sibling photo requires 3 time slots.

Everyone loves how easy it is to view and order! Package options are flexible, with control over choosing images and cropping, as well as the portraits being shipped to you. **When the images are ready you'll receive an email, but you can opt in by texting 90738 the code PUREENERGY2024 and be notified when the Gallery is ready.** This system will walk you through finding your dancer and ordering. You will have the option of using FaceFind technology which makes finding your dancer easy! **Most packages will still include a 5x7group photo, but can be substituted with an individual portrait since Rec groups will be photographed later.** Once rec groups are photographed, those photos will be available to order and shipped bulk to the dance studio, saving parents on paying for shipping twice.

Company: Our system makes viewing and ordering especially easy for you. We have **Multi Costume Packages** with several options based on how many costumes and print size, and **Digital options...** these have the best value for dancers in several group dances, with solo, duet or trio. These portraits are on a clean, white background, also perfect for audition photos.

If you have any questions please call or email! 979-571-2778 or daniela@danielaweaver.com

All the best,
Daniela
